C. Tasting notes

Panos Tzimas MSc DipWSET, October of 2020

Eng: "A powerful deep purple wine. The tannins are smooth and well matured. The alcohol level is high but very well integrated, adding weight and warmth in the palate. It shows a complex canvas of aromas and flavors reminiscent Bordeaux blends from Napa Valley. Black and dark crunchy cherries, dried nuts surrounded by belgian chocolate, waves of ink and leather, tones of wild herbs compose a multi-layer character !!! excellent work for cellaring"

Gr: "Είναι ένα κρασί δυναμισμού και όγκου, με χρώμα βαθύ σχεδόν μαύρο. Οι ταννίνες ζουμερές και ώριμες, ισορροπούν υπέροχα τα υψηλά επίπεδα αλκοολ που προσθέτουν λιπαρότητα και ζεστασιά στο στόμα. Ένας εξαιρετικός καμβάς αρωμάτων και γεύσεων, μαύρα, τραγανά κεράσια, ξηροί καρποί λουσμένοι από Βέλγικη σοκολάτα, κύματα από μελάνι και δέρμα, τόνοι άγριων βοτάνων, όλα συνθέτουν τον πολύπλοκο χαρακτήρα του. Ένα κρασί με υψηλό δυναμικό παλαίωσης"
